

Every time we order a test or service it is because we believe that it is medically necessary. Sometimes, however, insurance carriers disagree and deny the service - even after formal appeal by us. In these rare situations, it may be necessary to get another opinion from the Department of Insurance. This form will assist in obtaining this opinion.

Complete the form as best that you can. Mail, Fax or hand deliver your partially completed form to Arrowhead Health Centers so that we can complete and submit on your behalf.

Send to the attention of our Billing Department. Mail or deliver:
